

## How to Play

The youngest draws a card, and reads the question aloud. She performs the "if True" or "If Not True" action, and her turn is over. The player to the right goes next.

**For Example: Question:** *I've never had sex on a waterbed?* **If True: No drink, and If Not True: Take a drink!**

Sometimes players lie. A player caught in a lie (*at least two other players must agree to the accusation*) is punished (*e.g. Finish her drink, do a shot, kiss the bartender, etc.*). Use your imagination!

**FAQ: Question:** *How big of a drink do you have to take?* **Answer:** *That's entirely up to you.*

**Question:** *Which players have to answer the question?* **Answer:** *Most of the questions are "All Girls", so all girls would have to answer. However, there are some "Bride To Be", "Maid Of Honor", and "Bridal Party" questions too.*

**For Example: Question:** *"Bride To Be" I've never used a vibrator?* In this example only the bride to be will have to answer the question and perform the action.
