Pick 1: Choose any player to answer the question.

Pick 2: Choose any 2 players to answer the question.

Pick 3: Choose any 3 players to answer the question.

Activity: Follow the instructions on the card.

Example

- Jay picks a card from the deck and determines if it's a Pick 1, Pick 2, All Play, etc.
- In this example, let's assume it's a **Pick 2**.
- Jay picks 2 player's to answer the question.
- Jay reads the phrase out loud, starting with *"Never Have I Ever..."*
- The 2 players that Jay picked, must answer the question by saying *"I HAVE"* or *"I HAVE NEVER"*
- If they answer the question with "I HAVE," they have to take a sip.
- If they answer the question with "I HAVE NEVER," they don't have to take a sip.
- Once the player(s) answer the question, Jay's turn is over and the next player picks a card from the deck.
